

DRINKS MENU

Guilty Signature

Pisco Sour

THB 490

Demonio de los Andes, Fresh Lime Juice,
Sugar Syrup, Bitters

Chile and Peru bicker fiercely over the Pisco Sour's origin (and that of pisco, too.) I'm backing Peru... Pisco is a grape-distilled spirit that shines through the tart and sweet complexity in the glass.

Guilty Cocktail

Vampiresca

THB 480

Altos Tequila, Fresh Tomato Juice, Fresh Tangerine,
Grenadine Syrup, Tabasco, Black Pepper, Saline

South American folklore includes a legend of a one-legged female vampire who hides in the woods disguised as a beautiful maiden and loves nothing more than luring unsuspecting hunters or loggers deep into the jungle, before attacking them and sucking their blood.

Guilty Cocktail

Pico de Gallo Negroni

THB 470

Espolòn Tequila, Bell Peppers, Ancho Verde, Coriander,
Clarified, Cochi Ameicano, Suze

It's widely believed that Pico de Gallo dates back to the Aztecs in central Mexico. However, the name did not originate there. Pico de Gallo translates to 'The Rooster's Beak', possibly due to the way it was consumed; pinched with the thumb and fore-finger, forming the shape of a rooster's beak. Or maybe just because it's 'clucking' delicious!

Guilty Cocktail

Carajillo

THB 460

Licor 43, Cold Brew, Havana Club 7 years,
Mr. Black, Parmesan Foam

This classic Spanish cocktail combines espresso with Licor 43; a bright yellow liquor containing 43 secret ingredients, including cinnamon, anise, orange blossom and vanilla. Believe me, the less you know about the other 39, the safer you are...

Guilty Cocktail

Cantarito

THB 460

Creyente Mezcal, Orange Juice,
Grape Fruit Juice, Lime Juice, Perrier Grape Fruit Soda, Saline

A refreshing cocktail hailing from Jalisco, Mexico, that according to many Latin Americans, should be 'way more popular' than the Margarita. The Cantarito is typically served in a clay pot and is considered by most to be the forefather of the classic Paloma.

Guilty Cocktail

Agave Club

THB 490

Siete Misterios Mezcal, Altos Tequila,
Fresh Lime Juice, Raspberry Puree, Aperol,
Egg White Foam, Saline

The sap of the agave plant is collected and fermented to produce 'pulque' an alcoholic beverage, which after the distillation process, becomes mezcal. The word mezcal comes from Nahuatl; the language of the Aztecs, which to this day is still used by nearly 2 million people, in central Mexico.

Price is in Thai Baht, subject to 10% service charge and 7% applicable government tax.
